Dear Dana Dean,

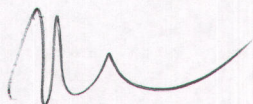

I writing you this letter of support for the PR Spring Mine, U.S. Oils Sands (Utah) Inc. Mine plan revision that is in Uintah County.

I believe this will be a great mining enterprise and provide jobs and economic enhancement to the Uintah County area. The plan seems sound to me and the water use reasonable.

This project will provide our county, state and country the resources that we need strategically for the future.

Please approve this project.

Sincerely,

Wayne Dunbar
